## NAMRON VENUES

The Namron Hospitality Collection includes a variety of venues, each with a distinct size, design, and ambiance including four hotels and one restaurant. Better yet, they are all located within walking distance from each other on Tulum's most coveted beach and jungle strip.

For small groups, you can choose from our different hotels to accommodate your guests and hold your ceremony and reception there.

For larger groups, we usually propose our hotels as accommodation options where you can hold your ceremony followed by a reception at NÜ Restaurant.

You can also choose to only privatize our restaurant NÜ, that features ample spaces for an entire wedding.
